- Provide one-on-one mentoring and group educational opportunities for heterosexual ACB men and peers.
- Develop and manage resources and training curriculums for organizational and program specific needs.
- Organize and facilitate workshops and trainings on HIV/AIDS related topics to various target groups.

- Organize and conduct presentations, community forums and conferences.
- Liaise and network with settlement services, health services, community organizations and faith-based communities that work with ACB communities.
- Organize roundtables and knowledge mobilization activities with community leaders in ACB communities to promote prevention strategies for heterosexual ACB men.
- Manage and populate social media sites/pages and media arts projects
- Track and evaluate program performance on selected outcomes.
- Attend and participate in monthly staff/team meetings, supervisions and staff development trainings.

REQUIREMENTS

- Degree/diploma in social sciences and research experience and/or equivalent.
- Knowledge and/or experience on issues faced by people living with HIV/AIDS from target ethno-racial communities.
- Demonstration of understanding of anti-oppression, empowerment and capacity building frameworks.
- Demonstration of effective coordination of community based action research or equivalent projects.
- Demonstrated ability to deliver timeline sensitive project outcomes.
- Fluency in one or more of the languages spoken in the target communities an asset.
- Lived experience with HIV/AIDS an asset.
- Ability to work collaboratively within and across teams.
- Ability to work effectively with people of various cultural, age and economic backgrounds.
- Experience working in community settings, using health promotion/community development approaches.
- Excellent interpersonal, verbal and written communication skills.
- Proficiency in use of computer technology, including MS Office programs, social media platforms, and database management.
- Familiarity/linkages with faith communities within our priority populations in the GTA is an asset.
